

Acrylic Panel Sneeze Guard:

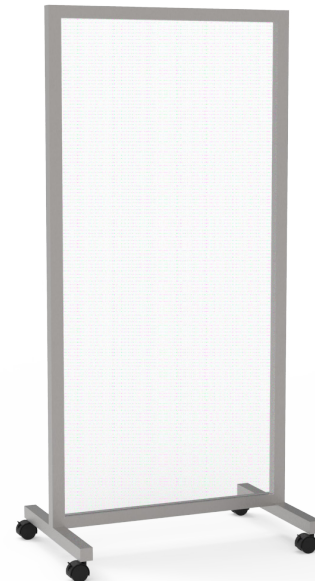

- Our see-through protective Sneeze Guards are made of a high quality clear 1/4" acrylic material.
- Guards have a smooth edged opening on the bottom for safe documents exchange and are available with metal feet.
- Cutout is 4" high and extends the full width of the panel less than 6" from each side.
- Sneeze Guards are made to be moved around making disinfecting and cleaning easy and is an effective solution to keeping your working environment safe and virus-free.
- The metal feet are easy to install and to relocate them. Sneeze Guard stands freely on top of work surface so there is no need for drilling and the clamp position is adjustable.
