

Before you begin, please make sure all parts and proper quantities are included. (See Part Identifier Key) Any parts damaged during shipment must be reported within 24 hours of receipt. To report information regarding damages or if you have any questions, please call 800.242.2303.

Step 1:

- **NOTE:** Levelers will be installed at factory.
- If you need to level your cabinet, you can adjust the levelers from inside your cabinet. (See image to the right to see the location of the levelers.)
- Using a 5mm Allen wrench, you can adjust each leveler by twisting it clockwise to increase the height or counterclockwise to decrease it to the desired height.
- Using a leveling tool, you can now make sure your cabinet is level.

Tools Required

- 5mm Allen wrench (levelers)

Step: 1
