

Classic Construction (/C)

- Top** The core material is 1.125" thick particle board with a phenolic backer sheet and high pressure laminate on top making the total thickness of the top at 1.25". 3mm PVC edge banding is applied to all edges, radius corners. Color matching unless otherwise specified. Complimentary colors available upon request. See catalog for color options. Optional top surface choices include writable surface laminate (markerboard) and most Wilsonart matte (-60) finish laminates with possible up charges. Other vendors available upon request. (Check availability of non-standard colors, minimum order may apply.)
- Case** Sides, back and sub-top/sub-bottom are constructed using fully doweled 0.75" particle board, 3mm PVC edge banding (matching, unless otherwise specified)
- Drawers** 0.75" matching front w/3mm PVC edge banding (matching, unless otherwise specified), 4" satin nickel wire pulls, standard full extension side mount steel ball bearing glides
- Doors** 0.75" double sided TFL, 3mm PVC edge banding (matching, unless otherwise specified), 4" satin nickel pulls and 6-point adjustable concealed hinges (European hinge)
- Shelves** Double-sided TFL, 3mm PVC edge banding (matching, unless otherwise specified) on front edge, adjustable shelves have four double-pin shelf clips per shelf to prevent the shelves from sliding out or tipping, fixed are fully doweled
- Modular Base** Integrated, matching fully finished 4" base, 3mm PVC edge banding (matching, unless otherwise specified), built-in levelers adjustable from inside of cabinet

Premium Construction (/P)

- Premium Construction** Premium cabinets are constructed the same as Classic cabinets, except the Premium cabinet components are double sided high pressure laminate (HPL) in place of the double sided TFL.

Soft Seating by Fömcöre

- Fabric** Soft Seating by Fömcöre is made with flexible vinyl that is top stitched and protected with PERMABLOK® Advanced Vinyl Protection. The Hi-Loft™ backing is a specialty knitted textile that is manufactured with 100% polyester yarns created for strength and softness.
- Core** The core material is vinyl with a Urethane topcoat, with foam density varying depending on the model. The one piece of solid foam sits on top of 1/2" base board.
- Base** The base is constructed of 1/2" MDF base board with metal inserts.
