Sconnie Chair

***Stability, longevity, & ergonomic function
for modern learning spaces***

Experience the durability and comfort of our 4-Legged and Cantilever Sconnie Chairs! Protect your walls and tables from damage with the chair's "wall-saver" design, while offering students the luxury of four-position seating that gives them the flexibility to choose their preferred sitting style.

Our 4-Legged Scinnie Chair is well-suited with our ELO® Series and our Cantilever Scinnie Chair pairs best with our UNE-T Series!

Stackable to save valuable space

Variety of heights and colors available

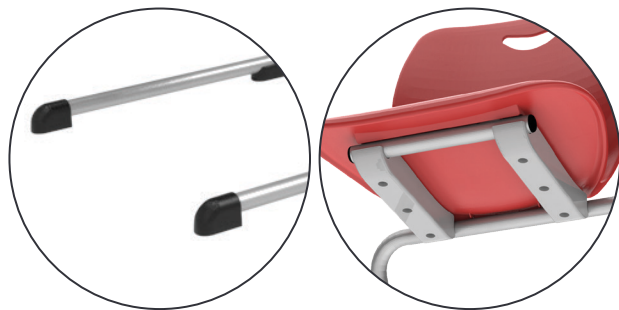

CHR12-4

CHR14-4

CHR16-C

CHR18-C

Cantilever chairs include **protective glide covers** and **protective plastic guards** to protect surfaces from impact and scratches.

Standard Chair Shell Color Selections
