

Tops

<i>Standard Laminate Top w/Lotz Armor Edge™ (Standard)</i>	High pressure laminate (HPL) top and moisture preventative & gum resistant phenolic backer bonded to 1.125" thick medium density fiberboard (MDF) core. Total top thickness 1.25". Choice of WB standard HPL. Optional top surface choices include writable surface laminate (markerboard) and most Panolam matte (-60) finish laminates with possible up charges. Other vendors available upon request. (Check availability of non-standard colors, minimum order may apply.) Lotz Armor Edge™ is a WB exclusive polyurea that is extremely strong and durable. This edge will not separate from the MDF core and makes the edge completely water tight. 0.25" beveled radius edge. See catalog for color options.
<i>Standard Laminate Top w/3mm Edge Band (Optional)</i>	The core material is 1.125" thick particle board with a phenolic backer sheet and high pressure laminate on top making the total thickness of the top at 1.25". 3mm PVC edge banding is applied to all edges, radius corners. Color matching unless otherwise specified. Complimentary colors available upon request. See catalog for color options. Optional top surface choices include writable surface laminate (markerboard) and most Panolam matte (-60) finish laminates with possible up charges. Other vendors available upon request. (Check availability of non-standard colors, minimum order may apply.)
